

Remarks

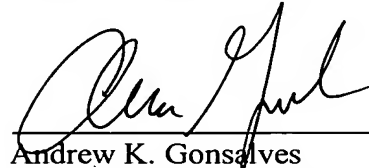

The specification has been amended as set forth above to add a claim for priority to the application.

With respect to the claims, this preliminary amendment amends claims 1, 3, 4, 7, 9, 11, 13-15, 17, 18, and 20 (either to remove multiple dependencies or to address minor informalities) and introduces new claims 26-39. New claims 26-39 find descriptive support in original claims 7-10, 13-16, and 18. No new matter has been entered by way of these amendments.

Applicants hereby request entry into the National stage and examination of the above-identified application.

Respectfully submitted,

Date: October 21, 2005
